

# Print e-mail from laptop tablet or phone\*

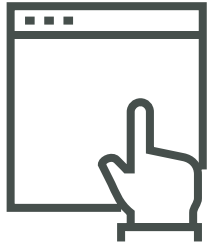

*\*The required buttons appear when you hold your phone in a horizontal position.*

The description below only applies to members of the library. Not a member?

Save your e-mail as a document and follow the steps at [PRINT DOCUMENT FROM YOUR OWN LAPTOP](#)

---

1

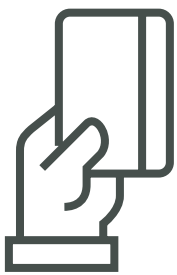

Send the e-mail to [printenbibliotheekeindhoven@gmail.com](mailto:printenbibliotheekeindhoven@gmail.com)

You will receive a confirmation e-mail to register your e-mail address  
Click on the link in this message

Have you registered your email address before? Then go directly to step 2 as soon as you have received the confirmation e-mail in your mailbox

2

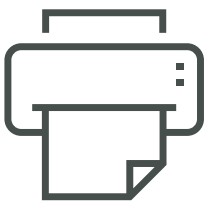

Go to: <https://bibliotheekeindhoven.easyaccountplus.nl>

Log in with your library card (4009xxxxxxx)

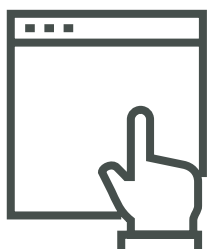

3

Select Print / Select mobile printing

4

Select the document for printing / go to next

Press the Print Eindhoven button (in colour or black)

5

The following notification appears: Your print job was successfully sent to the printer

Go the printer and scan your library card

---

*\*Here you can also delete a print job*
